The Imagination Library changes the future of children and communities.

HOW IT WORKS

How the local funds make the program

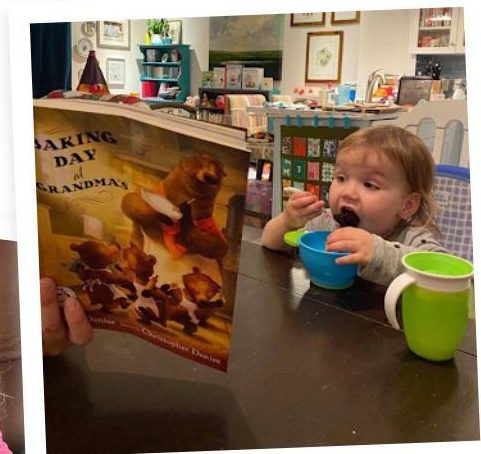

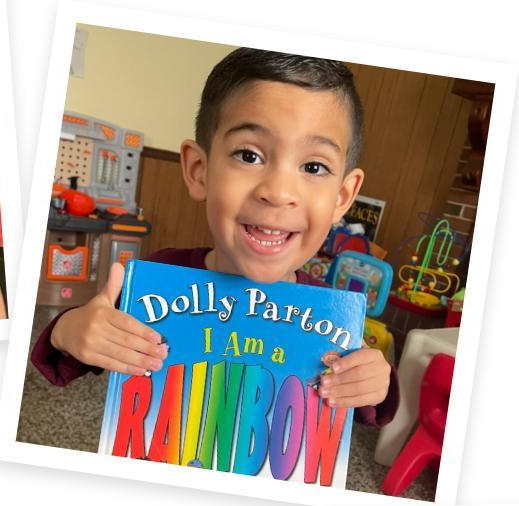

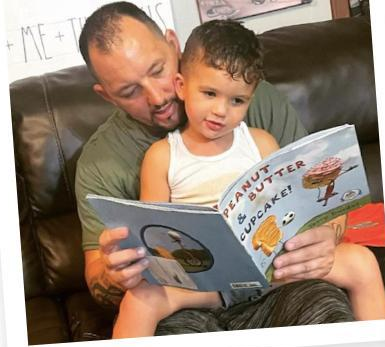

The Dollywood Foundation covers the heavy lifting by selecting award winning books, printing the books, customizing the label and fulfilling shipping.

US VET CONNECT INC is your Marshall County affiliate to help rally the community to cover the nonprofit postage rate for the books to be mailed to our community.

The benefits of this program heavily outweigh the \$26 a child a year to make sure this, the most cost effective pre-k ready program runs strong in Marshall County for years to come.

We need more sponsors dedicated to the future of Marshall County and its children.

Dolly Parton's Imagination Library has been gifting books for over 20 years and has proven performance of positivity.

 DPIL kids score higher in state tests 5-20 points!

 Decrease in community crime

 Increase in High School graduation rate

 Increase in college bound graduates

**Age appropriate books
between 0-5 is the #1
element for future success,
more than how much money
the parents make or if they
went to college.**

**“If your actions create
a legacy that inspires
others to dream more,
learn more.do more
and become more,
then, you are an
excellent leader”
