Imagination Library Sponsorship Form

Change the story for Marshall County children. Dolly Parton's Imagination Library is a monthly book gifting program that mails free, high-quality, age-appropriate books personalized with the child's name directly to the child's home.

All children age birth to 5 are eligible regardless of income. We want to build literacy and create excitement about reading by providing each child their own library of carefully cultivated books.

Join us in this effort by becoming a sponsor of this community-supported and research-driven program! Children apart of this early literacy program are

pre-k ready and score up to 20 points higher in school standardized tests!
